

Group Name: _____

Film Project Name: _____

Four of the Major Roles in Film Production

DIRECTOR	Says, "Action" and "Cut". Discusses with the actor how they might interpret and carry out their action. (Group member: _____)
PRODUCER	Makes sure everything/everyone is working and that the director stays true to the decisions of the group. Says, "Quiet on the set." Asks loud groups to be quiet for their group's taping. Offers suggestions to the director. (Group member: _____)
CINEMATOGRAPHER	Operates the camera. (Group member: _____)
ACTOR(S)	Represents a character in a production. (Group member: _____)

In your film groups, each member will choose a role for this project. Roles will rotate throughout the year. (In groups of four, each member will have one role. In groups of three, the Director will also serve as the Producer.)
